## COUNCIL COMMUNICATION

**AGENDA TITLE:** Public Hearing to Consider the Appeal Received from Faisal Sublaban Regarding Notice of Public Nuisance and Order to Abate Issued by Chief Building Inspector Regarding Property Located at 1107 South Central Avenue

**MEETING DATE:** April 20, 1994

**PREPARED BY:** Community Development Director

**RECOMMENDED ACTION:** that the City Council conduct a public hearing to consider the appeal received from Faisal Sublaban regarding Notice of Public Nuisance and Order to Abate issued by Chief Building Inspector regarding property located at 1107 South Central Avenue.

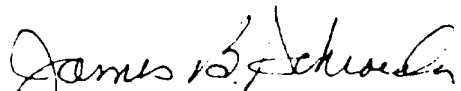

**BACKGROUND INFORMATION:** On January 19, 1994, in response to a renter's complaint, James H. Siemers, Code Enforcement Officer, inspected a garage at 1107 South Central Avenue that had been converted to a living unit.

The inspection determined (1) that a garage had been illegally converted without permits or inspections; (2) that the garage could not be converted without violating the off-street parking and setback requirements of the Zoning Ordinance; and (3) that electricity and natural gas had been extended from the main dwelling.

Upon receipt of the Notice of Public Nuisance and Order to Abate, Mr. Sublaban contacted the Community Development Director and informed him that the garage conversion had been completed before Mr. Sublaban purchased the property. The staff informed the property owner that when violations are found they must be ordered corrected and that the staff had no authority to let them continue.

The applicant must have purchased the property from a private party. Realtors always check the department's files to make sure all work was done with permits and inspections, before they will list or sell a property.

**FUNDING:** None required.

Subject: Public Hearing Schedule for April 20, 1994.  
Nuisance and Order to Abate on the Property  
located at 1107 South Central Ave, Lodi

Ms. Perrin

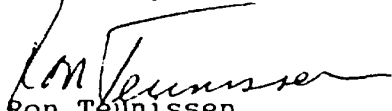

I am co-owner of the property located at 1111 South Central Ave, next door to the above noted address. For at least the past year and possibly longer, the sewer line servicing 1107 has been left open on the south side of the property, directly next to the bedroom window of my house.

I have for some time been attempting to contact the owner of 1107. I have left numerous messages for the owner with the tenants occupying the property asking him to contact me. I have also left messages at his office requesting him to correct the problem. He has not responded and the line remains open, sometimes allowing large amounts of raw sewage to pool in the side yard. I have also made several calls to the health dept, but still the problem continues.

Since the sewage line appears to be very shallow, I have wondered whether the line was properly installed. I am assuming the line will not drain properly and that is why it is left open?

I would appreciate any action you could take to remedy this problem.

Public Nuisance & Order to Abate at  
1107 So. Central Ave.

Dear City Council Members:

I am writing regarding the property listed above  
and request you deny his appeal.

There is a water heater behind the garage and only  
six inches from my fence. Leaves and other debris are  
allowed around the water heater that concerns me very  
much. It is a fire hazard and I feel it should be  
removed before we have a fire.

Yours truly,
